EXPERIENCE

Ivanka N. Hoffman joined Pollart Miller as an Associate in 2024.

Since joining the firm, Ivanka has represented insureds, employers, and insurance carriers in workers' compensation matters throughout all stages of litigation and alternative dispute resolution. Ivanka regularly represents clients before state courts and administrative agencies in a broad range of workers' compensation matters.

Prior to joining Pollart Miller, Ivanka served as a Judicial Intern with the Harris County Probate Court, where she gained insight into judicial decision making and courtroom procedure. She is also a Certified Mediator and draws on her experience in negotiation to pursue efficient and practical resolutions while remaining prepared to vigorously defend her clients when litigation is necessary. With a background in healthcare, including pre-medical studies and experience as a Chief Scribe in an emergency department, Ivanka applies her understanding of medical documentation and physician decision making when evaluating medical evidence.

Ivanka works closely with her clients to develop practical litigation strategies that account for both the legal and business considerations of each claim. She strives for effective communication and provides clients with regular case assessments and recommendations.

With a love for the outdoors, Ivanka often spends her free time hiking in the Rocky Mountains with her husband and three dogs.
